RE: In Support - Section 7 – town of Marlborough conveyance

Good morning Chairmen Slossberg and Spallone, Ranking Members McLachlan and Hetherington, and members of the Government Administration & Elections Committee. For the record, I am Representative Pam Sawyer, representing the 55th District. I am here today to speak in favor of **House Bill 5520** AAC The Conveyance Of Certain Parcels Of State Land.

Marlborough would like the half acre conveyed that fronts Route 66, which abuts a half acre parcel the Town already owns. The Town has plans to either create a neighborhood park or a small pump station for public sewers and or public water service for the area.

Thank you for the opportunity to testify on **HB 5520** and I ask the Committee to act favorably on this bill.
